Company: Access Link Group

Location: Dubai

Category: healthcare-practitioners-and-technical

Company Description

Access Link Group is a provider of full equipment installation solutions for mobile phone operators. The company comprises 6 teams of build supervisors, field engineers, and riggers and is based in Dubai.

Role Description

This is a full-time hybrid role for a Rigger at Access Link Group, with flexibility for some remote work. The Rigger will be responsible for day-to-day tasks related to equipment installation, such as lifting and moving heavy equipment and ensuring safety protocols are followed. They will also work closely with build supervisors and engineers to ensure that projects are completed on time and according to project plans.

Qualifications

Experience with heavy equipment and machinery

Knowledge of safety protocols and regulations

Ability to read and interpret technical drawings and blueprints

Physical stamina and dexterity

Experience with hand and power tools

Certifications such as OSHA or NCCER are a plus

Excellent communication and teamwork skills

Relevant qualifications for this role include a high school diploma or GED, as well as vocational or technical training in rigging, construction, or a related field. Experience in the telecommunications industry is also beneficial.
