Job Description SAC is looking for a sales executive who can help consumers in the UAE interested in used cars to purchase a car online or offline through a viewing. The sales executive will understand the needs and wants of the consumers and offer the appropriate added services that would go with the car, ensuring the consumer purchases a car online with the best customer experience possible. The sales executive will have targets to achieve and will earn a commission based on the targets being achieved/exceeded.

Sales experience for cars at a UAE showroom (1-2 years minimum) with proven track record of meeting sales targets (must) **Comprehensive knowledge** of cars and ability to explain cars **Ability to upsell** and learn quickly about our added services **Accompany customers** on test drives (if necessary) **Ability to read customer's needs and wants** **Ability to communicate well** in English and Arabic over the phone and in person **Presentable** if need to meet customer at viewing to close a deal **UAE Driving license** (required) **Candidate must be self-driven** and confident with good communication skills. **Ability to join ASAP.**

Qualifications UAE Driving License **Minimum 3-5 years Customer Service/Sales experience** **Good knowledge** of cars and passionate about cars **Preferably with own visa/freelance/dependent visa.**
