

SAP Presales Consultant Jobs in Dubai | Sana Commerce

[Apply Now](#)

Company: Sana Commerce

Location: Dubai

Category: other-general

1- SAP Presales Consultant

Job: Full Time

Location: Dubai, UAE

Description:

Sana Commerce has a global product team with members from all over the world. In the past years, our international product team has worked hard to be named as “Strong Performer” in The Forrester Wave of 2020. For our future growth, we are looking for an SAP Presales Consultant to advise and help our prospects and their SAP partners with our Sana for SAP offering and how this will fit their business needs.

Job Responsibilities:

Involved in presales projects to advise and help our prospects and their SAP partners about our Sana for SAP offering and how this will fit their business needs.

Be involved in implementation projects with SAP ERP integration work, advise and help our customers and their SAP partners about our Sana for SAP offering and how this will fit their business needs.

Be involved in the evolution of the Sana for SAP product and advice our internal development teams on how our product can add more value for our customers.

Job Requirements:

Bachelor or Master with at least five years of relevant experience.

You have a global and up-to-date overview of all SAP products, including SAP ECC, S/4HANA, ABAP, Fiori/UI5, or SAP Cloud Platform.

Experience in both presales tracks, implementations, and support of SAP projects.

You have outstanding analytical skills, and you can handle complex and technical subjects.
