Category: other-general

The job posting is outdated and position may be filled. Scaffolders erect and dismantle temporary metal scaffolding on structures and building sites, so that other people can work at height and carry out their jobs safely. Scaffolders may set up scaffolding around a structure, or inside a building undergoing construction, renovation or demolition. Disclaimer: Drjobs.ae is only a platform that connects job seekers and employers. Applicants are advised to conduct their own independent research into the credentials of the prospective employer.
