SECONDARY ENGLISH TEACHER NEEDED IN ABU DHABI - AUGUST 2024 This friendly, fun and energized International School is looking for teachers for the forthcoming academic year. The school follows a combined American British IB DP curriculum and caters for about 3500 pupils between the ages of 3 and 18 years of age. The school can only consider teachers with at least two years of experience; this is due to Ministry regulations. By special exception new graduates maybe considered. Curriculum experience is not an essential prerequisite but applicants must have a Bachelor Degree in their teaching subject or similar. Qualified Teacher status is essential. Teachers need to be aware that this is more of an Arab private school than a broad international school. In return they offer a generous tax free salary (AED10000-12000), annual flights, medical insurance, life insurance, free single occupancy furnished accommodation and end of service gratuity. If you are qualified for this position and eager to live and work in Abu Dhabi - the perfect blend of a traditional Arabian lifestyle with a vibrant expatriate existence - then please talk to your Edvectus consultant today!
