## Security Analyst Detection

[Apply Now](#)

Company: Google

Location: dubai

Category: other-general

Responsibilities Analyze security alerts in Security Information and Event Management (SIEM) and other external alert sources. Search for anomalous activity via manual hunting at Alphabet scale. Escalate complex/unusual incidents to Detection and Response teams. Lead response efforts to reduce severity incidents. Support the response to high and medium severity security incidents as directed. Google is proud to be an equal opportunity workplace and is an affirmative action employer. We are committed to equal employment opportunity regardless of race, color, ancestry, religion, sex, national origin, sexual orientation, age, citizenship, marital status, disability, gender identity or Veteran status. We also consider qualified applicants regardless of criminal histories, consistent with legal requirements. See also Google's EEO Policy and EEO is the Law. If you have a disability or special need that requires accommodation, please let us know by completing our Accommodations for Applicants form .
