Security Manager Jobs In Dubai | NES Fircroft

Reporting into the Managing Director we are looking for a Security Manager to be based in Dubai. The position will oversee the security, safety & risk management, emergency response, plans & systems for the company's operations in Libya, Iraq and Italy.

We are looking for someone with extensive knowledge of HS&S practices, compliance, and strong knowledge of cultural and political contexts in Iraq and In-depth knowledge of security protocols, procedures, and industry regulations. Some other of the key tasks of the role will be:

The organization and management of all related security tasks.

The coordination of Local Security Companies.

The implementation and management of security and logistics procedures in compliance with the Model 231 and the Risk Assessment Documentation (DVR).

The Induction and training to Company Staff.

To provide Company with cost effective solutions and control measures in line with industry best practice and recognised industry standards.

To prepare technical proposals and negotiate contracts with third parties, focusing on project HS&S objectives, scopes of works and plans. Co-ordinate across multiple departments to create and present hands-on solutions for risk-averse security programme services to improve overall efficiency of security control framework.

Strategically plan, develop, and implement the necessary effective HS&S risk management

and emergency response plans to meet the Company's dynamic project achievement targets.

Manage all security costing and spearheaded security contracts.

Controls and drive resolution of critical issues on all projects.

Main interaction with: Managing Director, COO, Project Director, Site Project Manager, Site Construction Manager.

We are looking for a professional with at least 15 years of experience in the same field, with a Bachelor's degree in law (Human Rights Law), Political Science or equivalent. If

interested, please send your CV to:
