Job Description

We are seeking an experienced 2D Fashion Concept Artist/Designer to work on one of the biggest Metaverse projects ever Seedworld.

As a 2D Concept Artist focused on Fashion Design, you will show your expertise and be responsible for creating fun and innovative designs for clothes and accessories for our characters in Seedworld.

Responsibilities:

Design original and imaginative concepts for clothes and accessories in and stylized fashion based on project requirements, scripts, or creative briefs.

Conduct research on various sources to create and inspire the costume designs.

Maintain consistency in design style and visual language, matching the artistic style of Seedworld.

Work closely with the Art Department team to explore ideas and develop outfits, accessories that fit the aesthetics of Seedworld.

Work with Art Directors, Technical Artists and Developers to understand technical requirements and ensure the pipeline is as efficient as possible.

Active participation in technical and artistic discussions and problem solving.

Ability to summarize own work, identify problems, and documentation to make internal and

outsourcing communication better for the full team.

Skills & Requirements

Required Qualifications:

2+ years of Concept Art Development experience in the gaming industry, focusing on Costume Design.

Experience using Photoshop or equivalent creative software

Desired Qualifications:

Strong fundamentals in proportions, anatomy, materials, color usage, lighting, areas of detail and areas of rest

Ability to showcase concepts that match the stylized art style of Seedworld

Experience with costume, apparel, and armors designs in different genres like fantasy, science fiction, steampunk, etc.

Bonus Skills:

Knowledge of Zbrush, Marvelous Designer, and other 3d packages like Blender, Maya, etc., will be a plus.

Knowledge of Unreal Engine will be also considered a bonus.

How to Apply
