Company: Dubai Customs

Location: dubai

Category: other-general

The job posting is outdated and position may be filled. Reviewing and designing architectural and engineering plans. Ensuring all plans are compliant with governmental health and safety regulations. Researching and maintaining knowledge of various engineering disciplines, application methods, and materials. Monitoring the work of other Architects and making recommendations or scheduling workshops as required. Providing guidance to subcontractors like builders, plumbers, and electricians, and helping them interpret design specifications. Liaising with clients to ensure all issues are addressed in a timely manner, and that project requirements are met. Ensuring the team works together to achieve set goals and targets. Acting as a mentor to new Architects and helping them fine-tune their design skills and improve their industry knowledge. Networking and consulting with various industry professionals. Disclaimer: Drjobs.ae is only a platform that connects job seekers and employers. Applicants are advised to conduct their own independent research into the credentials of the prospective employer. We always make certain that our clients do not endorse any request for money payments, thus we advise against sharing any personal or bank-related information with any third party. If you suspect fraud or malpractice, please contact us via contact us page. Our goal is to make hiring as easy as possible. We find the right talent for every company, ensuring that each candidate finds a job they enjoy. Dr.Job FZ LLC provides 360-degree AI-powered recruiting and job search solutions. If you are looking for a job and haven't found your chance yet, you can upload your profile on our website and find thousands of opportunities globally! Our platform gives you the flexibility you need to thrive in today's market by allowing you to apply for all different kinds of jobs,

whether they are full- or part-time, remote or on-site.
