

United Arab Emirates Jobs Expertini®

Senior Communication Specialist

[Apply Now](#)

Company: Abu Dhabi Ports Group

Location: , , United Arab Emirates

Category: other-general

Core Responsibilities:

- Provide high-level support to the Communications Director to create and maintain internal and external communication programmes to establish an ongoing channel of communications across the Group, stakeholders, media and community.
- Implement stakeholder management strategies that deliver results across all AD Ports Group's divisions.
- Create, review and verify all content, including, but not limited to, the website, newsletters, internal announcements, external announcements and leadership speeches and talking points.
- Liaise with MARCOM functions consistently to support the delivery of high-quality marketing, branding, digital and events campaigns and initiatives.
- Coordinate with external agencies and vendors to ensure effective and timely delivery of services including communications strategies, plans, media activities, thought-leadership events and campaigns.
- Build and maintain an up-to-date media database and communication tracker for effective media relations with local, regional and international media outlets.
- Liaise with Cluster's communications functions to align on major announcements, communications plans and strategies.
- Prepare reports that accurately reflect KPI performance, initiatives launched, announcements, interviews, as well as other communications activities, as required.
- Stay abreast of the latest marketing communication tools and industry trends using the research tools and platforms available.
