Senior Consultant| AtkinsRéalis Abu Dhabi

Created by the integration of long-standing organizations dating back to 1911, AtkinsRéalis is a world-leading professional services and project management company dedicated to engineering a better future for our planet and its people. We create sustainable solutions that connect people, data and technology to transform the world's infrastructure and energy systems. We deploy global capabilities locally to our clients and deliver unique end-to-end services across the whole life cycle of an asset including consulting, advisory & environmental services, intelligent networks & cybersecurity, design & engineering, procurement, project & construction management, operations & maintenance, decommissioning and capital. The breadth and depth of our capabilities are delivered to clients in key strategic sectors such as Engineering Services, Nuclear, Operations & Maintenance and Capital.. News and information are available at www.atkinsrealis.com.

AtkinsRéalis is a world-leading design, engineering and project management organization. We connect people, data and technology to transform the world's infrastructure and energy systems. Together, with our industry partners and clients, and our global team of consultants, designers, engineers and project managers, we can change the world. We have a strong presence in the Middle East that enables us to build deep and lasting relationships with our clients. We share their goals and long-term ambitions; we're on the same journey to create places and infrastructure which will support long term sustainable development, healthy living and vibrant communities.
