Senior Consultant Internal Auditing required in Abu Dhabi

The Senior Consultant role in Internal Audit requires multi-dimensional capabilities. They are responsible for growing existing accounts, risk-based audit planning, project execution and reporting.

They develop a deep understanding of client's business and build lasting relationships with client personnel. They demonstrate technical competence in their product group and industry, understand client's perspective and become the de-facto "go-to-person". They are responsible for serving clients and ensuring outstanding quality execution of projects.

KEY RESPONSIBILITIES

- Understand the client's requirements and assist in writing effective client proposals that articulate the specialized domain skills.
- Understand the business model and business processes of the client.
- Assist in conducting various operational and technical reviews of audit projects and as part of the engagement team to identify risks and opportunities where internal controls can be enhanced and developed.

- Stay abreast of current business and economic developments relevant to the client's business.
- Develop a positive work environment and encourage teamwork.
- Assist in preparing project plan, work program, perform data analyses, document working papers etc. as required by the execution team.
- Assist in preparing client presentations (for different target audiences – CEOs, Board of Directors, Audit Committees) Manage performance of audit procedures. This includes identifying and defining issues, developing criteria, reviewing and analyzing evidence, and documenting client processes and procedures. Demonstrate technical competence in related domain.

Desired Profile

- 3-6 years of experience in a related field, preferably in internal audit, consulting, advisory, professional services and/or industry.
- Bachelor of Commerce/ Accounting/ Finance and CIA.
- Proficient in Microsoft suites applications

Location- Abu Dhabi, UAE.

VERY Attractive Salary.
