### Senior Counsel | Blockdaemon Abu Dhabi

Blockdaemon powers the blockchain economy with its suite of industry-leading infrastructure solutions. Blockdaemon was founded in 2017 and has become a globally established, single integration partner for accessing premier blockchain networks. We provide integrated business solutions to exchanges, custodians, crypto platforms, financial institutions, and developers using our end-to-end suite of blockchain tools, including dedicated nodes, APIs, staking, liquid staking, MPC tech, and more. Blockdaemon provides its customers with the confidence to quickly and easily scale without compromising security or compliance. Blockdaemon is seeking an experienced and innovative attorney to support our blockchain infrastructure business as we expand worldwide. In this role, you will interact directly with the sales and product teams and company leadership with an emphasis on complex commercial arrangements and understanding of regulatory development to ensure compliance of new and existing products.
