Senior Expert Parcel Locker Hardware DevelopmentSenior Expert Parcel Locker Hardware DevelopmentAbu Dhabi, United Arab EmiratesOur client offers a range of international and domestic standard parcel delivery services in over 35 countries worldwide. They also provide fulfillment services in selected markets. Their goal is to become a leading provider of e-commerce logistics by 2025. To achieve this, they are developing solutions across their entire service portfolio for selected customers.

Key Responsibilities:- Drive and manage the development of parcel lockers from a hardware perspective.- Develop standard and efficient locker solutions tailored for e-commerce logistics.- Establish and manage the structure, from sourcing to maintenance (including spare parts), of parcel lockers with all necessary processes and interfaces.- Manage interfaces between countries, business manufacturers, and Ops/IT.- Collaborate closely with counterparts in core countries and align with other business units.

Business Skills:- Bachelor's or master's degree in business or engineering with several years of professional experience.- Extensive experience in last-mile optimization, particularly in designing and optimizing locker hardware.- Deep understanding of hardware development and implementation.- Excellent English language skills; knowledge of any European language is a plus.- Proficient in MS Office, especially PowerPoint and Excel.

Personal Skills:- Strong analytical and conceptual skills with the ability to grasp complex tasks quickly.- Independent, structured, and goal-oriented approach to work, with excellent teamwork skills.- Proactive mindset with a get-it-done attitude.- Ability to manage and achieve goals in a matrix environment.- Willingness to adopt best practices and solutions rather than reinventing the wheel.- High level of proactivity, customer orientation, and

service mindset.- Strong intercultural skills from international work experience or studying abroad.- Highly independent and adaptable.Interested? Contact: lewis@lastmiletalent.eu
