

United Arab Emirates Jobs Expertini®

Senior Financial Auditors - Dubai

[Apply Now](#)

Company: EY

Location: United Arab Emirates

Category: healthcare-practitioners-and-technical

From small businesses to some of the world's best-known brands, our clients count on reliable financial statements, information and processes to inform their on-going strategies. More than ever, business is about interpreting and reacting to complex data - and they look to us for advice and services they can trust every time. You will use your professional skills and experience to make it happen, handling complex audit procedures across a broad range of industries and responsibilities.

Our tailored external audit services help build trust and confidence through transparency, clarity and consistency. We are 79,+ professionals based worldwide across countries.

Audit services involve reporting on the fairness in all material respects with which a client's audited financial statements are presented, in conformity with the applicable financial reporting framework.

The opportunity

EY is looking for a Senior Auditors to support our Dubai Audit team and help our clients meet their requirements by accurately reporting on financial statements and providing meaningful insights into accounting and reporting matters.

Your key responsibility

As a member of the Audit team, you'll make a technical contribution to audit engagements and internal projects. You'll actively establish internal and external relationships and identify and escalate potential business opportunities for EY on existing engagements. With a clear focus on anticipating and identifying risks, you'll escalate issues as appropriate. You'll confirm that the work delivered to clients is of high quality and is reviewed by the next-level reviewer.

Skills and attributes for success

Pro- activity, accountability and results- driven people will flourish in this environment.

Dealing with competing priorities, understanding how to manage resources and communicating effectively are key skills. This will have a huge impact on those around you and help promote a positive work ethic.

To qualify for the role, you must have

Strong academic record, including a degree or professional qualification, such as ACCA, CPA, CA

At least four years of professional experience in external audit

Track record with a leading international audit firm

Ideally, you'll also have

Proficiency in the Arabic language

What we look for

We are interested in entrepreneurs who have the confidence to develop and promote a brand-new strategic vision both internally and externally. You will be business savvy with a passion for innovation as well as the motivation to create your own EY journey.

What we offer

We offer a competitive compensation package where you'll be rewarded based on performance and recognized for the value you bring to our business. Plus, we offer:

Continuous learning: You'll develop the mindset and skills to navigate whatever comes next.

Success as defined by you We'll provide the tools and flexibility, so you can make a meaningful impact, your way.

Transformative leadership We'll give you the insights, coaching and confidence to be the leader the world needs.

Diverse and inclusive culture: You'll be embraced for who you are and empowered to use your voice to help others find theirs.

If you can demonstrate that you meet the criteria above, please contact us as soon as possible.

The exceptional EY experience. It's yours to build.

EY | Building a better working world

EY exists to build a better working world, helping to create long-term value for clients, people and society and build trust in the capital markets.

Enabled by data and technology, diverse EY teams in over 100 countries provide trust through assurance and help clients grow, transform and operate.

Working across assurance, consulting, law, strategy, tax and transactions, EY teams ask better questions to find new answers for the complex issues facing our world today.
