Company: InterGame Ltd

Location: Dubai

Category: other-general

Location: Dubai - Fully remote Salary: \$70k to \$90k USD | Ref: 34790 Be part of industry leading multi-chain decentralised peer-to-peer sports betting exchange project. The chance to take full ownership of project. Fully Remote role in Dubai. Application open to Senior Level

Candidates. Salary: \$70k to \$90k USD Per Year As a senior integration specialist for an iGaming platform, your job would involve integrating various components within the platform, such as sports betting features, third-party casino games, payment processors, and affiliate tools. Your responsibilities may include: Integration Planning: Developing integration strategies and plans for seamless integration of sports betting, casino games, payment processors, and affiliate tools into the iGaming platform. Technical Integration: Collaborating with development teams to implement and configure the required APIs, SDKs, and interfaces for the different components, ensuring proper functionality and smooth user experience. Testing and Troubleshooting: Conducting thorough testing of the integrated components to ensure they work correctly and resolve any issues or bugs that arise during the integration process.

Documentation: Creating comprehensive documentation for integration processes, APIs, and troubleshooting guides to facilitate future integrations and provide support to internal teams and external partners. Quality Assurance: Ensuring that the integrated features meet industry standards, regulatory requirements, and best practices for security, reliability, and performance.

Requirements: InterGame is the only monthly magazine covering the international coin-op amusements and gaming industry. InterGaming is the leading magazine covering the international land-based casino and gaming industry. Published bimonthly, iINTERGAMINGi is the leading publication for the growing international online gaming

industry. An extensive annual buyers' directory with more than 1,500 suppliers listed in the coin-op, casino and iGaming sectors. All the latest innovations for children in the indoor play, edutainment, outdoor adventure and simulation sectors. Coin-op Community covers the latest news for the UK's amusements, attractions and leisure sectors.
