Aptuary is an Actuarial recruitment agency established by a qualified Actuary. The Actuarial background enables the company to establish credibility with candidates, gaining a thorough understanding of their experience and skill set, allowing to better filter and present the most suitable candidates. Aptuary is led by Shivam Patel, who has over 13 years experience in the Insurance industry, starting his career at a Big 4 consultancy and then continuing as an Actuarial contractor at large insurance companies. Shivam is now combining this experience with his passion for people at Aptuary. The top priority at Aptuary is to deliver a personalised service, by listening attentively to the client brief and delivering with a key focus on quality of candidates.
