Oliver Wyman is now looking to hire a Senior Knowledge Manager Government and Public Institutions (GPI) to join our Dubai office. The Practice and Opportunity Oliver Wyman is a trusted advisor to governments & public institutions around the world. We advise leaders across all levels of government on developing innovative solutions to complex problems. Our work spans the spectrum of societal issues including economic development cost management tax security labor and governance. We leverage our deep understanding of the rapidly shifting socioeconomic challenges facing nations and provide clients with the breadth of expertise across Marsh & McLennans operating companies Marsh Mercer and Nera. We understand the intricacies of policy design and formulation and have practical experience in helping public sector authorities stay ahead of the curve in a fastchanging world. We bring commercial best practices and public sector acumen to support heads of state ministers heads of agencies and other senior leaders with their greatest challenges in areas such as strategy risk management operations and organization transformation. Key responsibilities of the role include: The Knowledge Management team at Oliver Wyman are an integral business

function truly embedded in the industries capabilities and platforms ensuring we harness the best of our expertise as a firm globally. As a Knowledge Manager at Oliver Wyman you will be involved in setting the strategy and executing best in class knowledge management. You will take a key role with crosspractice collaboration across the knowledge management team ensuring a seamless flow of information globally. You will proactively manage the synthesis and codification of our intellectual capital and act as the lynchpin connecting people to the experts expertise and insights efficiently. You will manage the capture classification storage and dissemination of Oliver Wyman Government and Public Institutions (GPI) knowledge base and will work on ensuring our knowledge platform is kept well maintained strategically looking for ways to increase usage and footfall. You will be a key point of contact for the practice as they look to identify leading OW experts and credentials in support of business development activities. In addition you will proactively manage the content landscape within GPI managing content gaps and hot topics. Our Government and Public Institutions (GPI) team are looking for an experienced knowledge management professional to join them in an exciting role. This role reports directly to the EIMEA Head of Knowledge Management in London working closely with our GPI Knowledge Manager based in Warsaw and our GPI Knowledge Analyst based in Dubai. In addition the role will be supported by our Process Coordinator team in Warsaw. This role will have a high level of direct interaction within our wider Knowledge Management community our Support Professional community (including Marketing Business Impact Team etc.) and close interaction and support of the GPI practice area. This position will be based in the Middle East but the role has both global and local dimensions and responsibilities.
