Company: Randstad UK

Location: United Arab Emirates

Category: other-general

The Role

Randstad is working with a multinational architecture and engineering consultancy in Dubai who are looking for a Senior Landscape Architect to join their team in Dubai, UAE. Working within a multi-disciplinary team, the Senior Landscape Architect will work on all stages of landscape projects from planning to design and construction. Responsibilities: * Lead the design and development of landscape architecture projects from concept to completion * Collaborate with multidisciplinary teams to create integrated design solutions * Conduct site analysis and develop innovative design proposals * Assisting in the preparation of schedules of quantity and cost estimates * Present to clients at a senior level

Randstad CPE values diversity and promotes equality. No terminology in this advert is intended to discriminate against any of the protected characteristics that fall under the Equality Act 2010. We encourage and welcome applications from all sections of society and are more than happy to discuss reasonable adjustments and/or additional arrangements as required to support your application. Candidates must be eligible to live and work in the UK. For the purposes of the Conduct Regulations 2003, when advertising permanent vacancies we are acting as an Employment Agency, and when advertising temporary/contract vacancies we are acting as an Employment Business.

Requirements

To be considered, candidates must have: * Degree in Landscape Architect or similar field * 10+ years of work experience * Experience working with international design firms * Strong

verbal, written & graphic communication skills
