

## Senior Manager - Process Architecture PLM

[Apply Now](#)

Company: Michael Page

Location: United Arab Emirates

Category: other-general

### The Role

As the Senior Manager Process Architecture for Product Lifecycle Management (PLM), you will lead the development and implementation of a future-proof PLM process architecture, ensuring seamless integration with the organisation's overall transformation strategy

**Client Details** Our client is a leading entity in Dubai embarking on an ambitious digital

transformation program to support major projects in development in the UAE

**Description** \* Lead the design and execution of an end-to-end target state for PLM processes aligned with the

client's strategic objectives \* Oversee the re-engineering of policies, operating models and

processes to optimise the system and ensure a smooth transition \* Collaborate with

stakeholders to develop impactful PLM transformation strategies and ensure buy-in from all

users via extensive event facilitation \* Champion continuous improvement by identifying

opportunities to enhance efficiency and effectiveness within the system \* Foster a culture of

digital innovation by integrating cutting-edge technologies and best practices into PLM

processes

**Job Offer** \* Attractive tax-free salary \* Opportunity to work on major development projects in the UAE

### Requirements

\* 15 years of experience leading process architecture transformation initiatives, ideally within real estate and development sectors. Must be able to clearly demonstrate hands on

experience of end-to-end delivery of complex projects \* A Bachelor's degree in Business

Administration, Management, Information Technology, or related field (change management

qualification highly preferred) \* Someone with a deep understanding of product lifecycle management best practices and experience with PLM systems \* Experience with major Enterprise Resource Planning (ERP) and Customer Relationship Management (CRM) platforms such as SAP, Salesforce, etc \* An exceptional communicator who thrives in SteerCo level meetings presenting progress to senior stakeholders
