[Apply Now](#)

Company: Al Futtaim Group

Location: dubai

Category: other-general

Senior Manager – Structured Finance – Al Futtaim G Group Finance has overall finance responsibility for the Al-Futtaim Group, including the trading, financial services and services, as well as real estate divisions, across MENA and Asia Pacific regions. We are currently looking to recruit a Senior Manager - Structured Finance to join our Group Treasury Department based in Dubai Festival City. Reporting to the Group Treasurer, the Senior Manager - Structured Finance you will be responsible for the structuring, negotiation and recommendation of appropriate debt solutions (trade, project, acquisition and corporate facilities). This role involves responsibilities such as: Financial modelling of debt and associated hedging - Responsibility for the financial modelling of prospective new term debt facilities in support of financial structuring and negotiations with banks. Decision support - Assist with the preparation of strategic proposals in support of debt raising and restructuring, as well as providing relevant Treasury input into feasibility and business performance reviews. Loan transaction support - Together with Legal and other relevant areas; provide transaction support in the implementation of new loans across the Group. General Treasury support to Trading businesses - providing support to financial management regarding cash management, cash flow forecasting. Reporting - preparing relevant reports relating to term debt and interest rate hedging (for inclusion in monthly Treasury Review, annual financial statements or ad hoc as required), covering current debt position, key terms, covenant compliance, cost of capital and related. To apply for this role you should have the following skills, experiences and qualifications: * Qualified Chartered accountant, Admitted Attorney, CFA, MBA (Finance) * Minimum 6 years' post-qualification experience in

relevant industry (preferably corporate or investment banking)* Familiarity with computerized financial systems, including PC spreadsheets and database skills* Good technical knowledge and understanding of debt terms and conditions* Good quantitative skills, including interest compounding and time value of money calculations* Strong and effective communication and presentation skills* Highly organised and attention to detail* Maintain High Degree of Confidentiality* Pro active, flexible and People Management Skills

About The Company Established in the 1930's, the Al-Futtaim Group initially operated as a trading enterprise. Rapid development throughout the 1940's and 50's saw it establish itself regionally as an integrated commercial, industrial and services organisation, positioning itself one of the leading business houses in the lower Gulf region. Today, it operates collectively over 40 companies bearing the Al-Futtaim name, dominates many market segments in the UAE, and has expanded its sphere of operation to include Bahrain, Kuwait, Qatar, Oman and Egypt. The Group comprises a diverse range of strategically positioned operating subsidiaries and associate companies, structured to give the Al-Futtaim Group the flexibility and versatility to keep ahead of local competition while keeping pace with the ever-evolving global business scenario. The Group's continued investment in world-class systems technology is clear evidence of its commitment to maintain leading edge performance and service delivery. The success of the Al-Futtaim Group can be attributed to a business approach that combines the ability to change with the traditional values of integrity, service and social responsibility that define its core business philosophy. This, linked with the Group's belief in decentralisation, gives the heads of the operating companies a high degree of functional autonomy and authority, providing the Group with essential flexibility, and individual employees a clearly defined work culture and sense of responsibility.
