relevant industry (preferably corporate or investment banking)* Familiarity with computerized financial systems, including PC spreadsheets and database skills* Good technical knowledge and understanding of debt terms and conditions* Good quantitative skills, including interest compounding and time value of money calculations* Strong and effective communication and presentation skills* Highly organised and attention to detail* Maintain High Degree of Confidentiality* Pro active, flexible and People Management Skills

About The Company Established in the 1930's, the Al-Futtaim Group initially operated as a trading enterprise. Rapid development throughout the 1940's and 50's saw it establish itself regionally as an integrated commercial, industrial and services organisation, positioning itself one of the leading business houses in the lower Gulf region. Today, it operates collectively over 40 companies bearing the Al-Futtaim name, dominates many market segments in the UAE, and has expanded its sphere of operation to include Bahrain, Kuwait, Qatar, Oman and Egypt. The Group comprises a diverse range of strategically positioned operating subsidiaries and associate companies, structured to give the Al-Futtaim Group the flexibility and versatility to keep ahead of local competition while keeping pace with the ever-evolving global business scenario. The Group's continued investment in world-class systems technology is clear evidence of its commitment to maintain leading edge performance and service delivery. The success of the Al-Futtaim Group can be attributed to a business approach that combines the ability to change with the traditional values of integrity, service and social responsibility that define its core business philosophy. This, linked with the Group's belief in decentralisation, gives the heads of the operating companies a high degree of functional autonomy and authority, providing the Group with essential flexibility, and individual employees a clearly defined work culture and sense of responsibility.
