

## Senior Manager – Supply Jobs in Dubai | Deliveroo

[Apply Now](#)

Company: Deliveroo

Location: dubai

Category: other-general

1- Senior Manager – Supply

Job: Full Time

Location: Dubai, UAE

Job Responsibilities:

Craft a coherent “the future of supply” vision for the UAE & Qatar – you will help drive the long-term roadmap, rider strategy, and demand generation for how we approach supply in the future.

Responsible for developing and executing rider acquisition and engagement strategies for achieving business objectives.

Lead the implementation of our hiring workflow in all markets and assure compliance with local laws.

Evaluate, prioritize, and close strategic partnership opportunities.

Long-term supply planning – work with Finance & Strategy teams to forecast longer-term demand which will impact rider kit purchases & future rider marketing spends strategies.

Supply Model business owner– Develop, improve and own our local supply model.

Job Requirements:

Comfortable with large quantities of data. Attentive to details. Able to draw insights from historical data and trends, consider the complexities across markets, and forecast future demand.

SQL and/or Python skills are a plus.

Able to simplify complex analyses and insights. Strong written and verbal communication skills across a varied set of stakeholders from a rider to the Managing Director

Able to work well with cross-functional, and international stakeholders
