Company: Hub Recruitment LTD

Location: Abu Dhabi

Category: healthcare-practitioners-and-technical

Job Title: Senior Mathematics Teacher (IGCSE Experience)

Location: Abu Dhabi, United Arab Emirates

Position Overview: We are seeking an experienced and highly accomplished Senior Mathematics Teacher with specialized expertise in delivering the International General Certificate of Secondary Education (IGCSE) curriculum. This pivotal role, based in Abu Dhabi, offers an exceptional opportunity to significantly contribute to the academic advancement of our students.

Responsibilities

Curriculum Leadership:

Develop and deliver comprehensive mathematics lessons tailored for IGCSE students.

Utilize innovative and engaging pedagogical approaches to foster a profound interest in the subject matter.

Adapt teaching methodologies and materials to accommodate the diverse learning needs of our student body.

Assessment And Progress Monitoring

Formulate and implement robust assessment strategies, including examinations and assignments, to assess student progress.

Provide constructive feedback to students and parents on academic performance, facilitating continuous improvement.

Maintain accurate records of student grades and attendance with meticulous attention to detail.

Classroom Leadership

Cultivate a conducive learning environment characterized by discipline, respect, and academic rigor.

Foster a culture of intellectual curiosity and critical thinking among students through engaging classroom interactions.

Professional Development

Pursue continuous professional growth through participation in relevant training, workshops, and educational forums.

Stay updated on emerging trends and best practices in mathematics education to enhance instructional efficacy.

Communication And Collaboration

Foster transparent and effective communication channels with students, parents, and colleagues to maintain a supportive learning community.

Collaborate seamlessly with fellow educators and staff to ensure a cohesive and enriching educational experience.

Qualifications

Bachelor's degree in Mathematics or a related field; preference given to candidates holding a master's degree in education or mathematics. Teaching certification, ideally specializing in Mathematics or Science education. Proven track record of successful teaching experience within the IGCSE curriculum framework. Exceptional classroom management skills and the ability to foster positive student-teacher dynamics. Genuine passion for education and a steadfast commitment to nurturing the holistic development of students. Proficiency in educational technology tools and a willingness to integrate them into the teaching-learning process. Outstanding interpersonal aptitude and cultural sensitivity, essential for thriving in Abu Dhabi's diverse and multicultural environment.
