Senior Mechanical Engineer Job Details United Arab Emirates Job Identification 104 Locations

Posting Date 09/14/2022, 04:35 AM Job Schedule Full time About Us We are Yas Holding, a

diverse business development and investment group based in Abu Dhabi. Our strategy is to

explore, create and realize new investment initiatives in both local and international markets,

creating value for both our shareholders and our customers. Yas Holding was established in

2006, and has since launched many investment initiatives which have been transformed into

successful, profitable operations in a range of diverse sectors. At YAS Holding, we are

looking for people with a commitment to developing themselves and the UAE. We employ

talented individuals with endless bright ideas and the resilience and determination to see

them turn into reality. Our employment force is composed of a wide variety of talents from all

over the world. We recruit professionals from different areas for YAS Holding and our

subsidiary companies. For more information, Please visit YAS Holding

website <https://www.yasholding.ae/> Unique and distinctive construction services with a

sharp commercial focus. Canopus General Contracting (CGC), established in 2011, offers

complete and unique turnkey project construction and management solutions to our clients.

From the initial stages of project inception, covering the planning, construction and project

management, all the way through to hand-over & plus facility management, CGC is a leader

in the field of construction and project management providing outstanding projects, on time,

within budget and with exceptional quality. CGC consists of highly professional

management, technical and engineering teams that are fully equipped to handle small,

medium and large-scale projects. We are recognized as one of the leading construction

management companies in the industry, continuously exceeding expectations with our strong client focus to deliver.
