## Senior Metals Trader, Commodities

[Apply Now](#)

Company: AP Executive

Location: United Arab Emirates

Category: healthcare-practitioners-and-technical

A highly successful and dynamic international commodities trading firm is seeking a senior physical metals trader to join its Abu Dhabi office and its growing, international and dynamic team based there. The firm has multiple offices on five continents and is thriving. The firm's focus is on metals, both base and precious, and it has an unsurpassed network of customers, contacts and commercial alliances built by its partners across the globe. Successful candidates will have a demonstrable track record of profitable trading preferably in metals and for a large trading company. Top traders from other markets will be considered if open minded and willing to put the work in to transition to metals. Excellent networking skills, analytical expertise and an ambitious, entrepreneurial mindset are all essential. Language skills need to include fluent spoken and written English and other languages useful to conducting business will be a plus. Compensation will be excellent and will include bonuses linked to performance, and a generous relocation package is available for those not in situ. The company is also seeking mid-level traders to join the team so please make contact if you have experience but not at the senior level.
