Senior Procurement Lead Jobs in Dubai | Hello Chef Jobs 2022

Job Responsibilities:

Lead the procurement team (currently 3 individuals), helping to set up measurements for success, processes, tools, and software that will support our growth ambitions

Develop and manage supplier relationships, ensuring that we get the right product at the right price consistently

Create and set up our importing capability, ensuring OTIF, quality and cost targets are achieved

Work with data daily to reduce supply chain risks and make procurement a strategic enabler of the business

Job Requirements:

Highly analytical person with strong commercial acumen who is skilled in negotiation and supplier management & development

3-5 years' deep experience in buying/category management/procurement of perishable food products in an ecommerce, hospitality or similar B2C environment

Strong experience in the end-to-end supply chain with a specific focus on forecasting and demand planning to ensure consistent on time delivery

Previous experience/knowledge of sourcing and importing products
