

Senior Project Manager - Exhibitions

[Apply Now](#)

Company: buildup

Location: Dubai

Category: healthcare-practitioners-and-technical

The Senior Project Manager is responsible for overseeing the end-to-end management of exhibition stand projects. This role involves working closely with clients, sales, creative, QS, and production teams to ensure the successful installation of exhibition stands that meet client objectives and brand standards.

Minimum Qualifications:

Bachelor's degree in Engineering or Architecture would be an added advantage.

Minimum of 8 years of experience in managing medium to large-scale exhibition stand projects, preferably in a senior project management role.

Strong leadership, communication, and negotiation skills.

Ability and willingness to travel internationally as needed; must possess a valid passport suitable for international travel and capable of fulfilling visa requirements as necessary.

Attributes:

Strong project management and organizational skills.

Attention to detail and commitment to quality.

Ability to work under pressure and meet tight deadlines.

Excellent problem-solving and decision-making abilities.

Flexibility and adaptability in a dynamic event environment.
