Senior Recruiter Jobs In Ajman | Korn Ferry

About the job

Our Senior Recruiters build and optimize client relationships through excellence in recruitment process delivery including sourcing, screening, and assessing candidates while helping guide our clients through the recruitment process. As a Senior Recruiter, you will act as a Consultative business partner for our clients, advising on hiring strategy and expectations, whilst also providing market insights to improve hiring processes and overall search strategy.

Requirement

Extensive experience within In-House / RPO / Agency Recruitment

Excellent written and verbal communication skills

Ability to deal with ambiguity and show flexibility in a fast-moving environment

Strives for process innovation and high-performance working

Shown team working capability

Excellent stakeholder and networking skills

Ability to be involved in a wide range of talent acquisition projects

Opportunity to develop further recruitment and management skills

Fluent level of English (must) & Arabic (preferred)
