Senior Reinsurance Manager

[Apply Now](#)

Company: Intelligent Solutions HR

Location: abu dhabi

Category: other-general

Develop and implement reinsurance strategies aligned with the organization's goals and risk appetite. Analyze and assess the organization's risk exposures and recommend appropriate reinsurance programs. Collaborate with senior management to establish reinsurance objectives and risk tolerances. Negotiate reinsurance terms and conditions, including premiums, coverage limits, and loss-sharing arrangements. Identify and select suitable reinsurers or brokers based on their financial stability and expertise. Review and analyze reinsurance contracts to ensure compliance with regulatory requirements and organizational policies. Evaluate and quantify risks associated with the organization's insurance portfolio. Conduct actuarial analysis to determine optimal reinsurance structures and pricing. Monitor industry trends and market conditions to assess the impact on reinsurance strategies.
