Company: Antal International

Location: abu dhabi

Category: other-general

Lead transfer pricing projects for clients in the financial services industry, ensuring compliance with local and international transfer pricing regulations. Develop and implement transfer pricing policies and strategies tailored to the financial services sector. Conduct risk assessments and provide advisory services on transfer pricing matters, including intra-group financing, restructurings, and cross-border transactions. Get involved at all stages of the project life cycle and take this opportunity to take on a wide range of responsibilities and diversify your skills and experience. Understand a range of complex Transfer Pricing issues and be able to effectively implement solutions through your economic, technical and market knowledge to lead clients through the changing tax landscape while appropriately managing risk. Establish and deliver effective Transfer Pricing solutions and practical planning services. Drive the use of technology to enhance the compliance processes for clients. Manage and support inter-company pricing across supply chains and identify tax efficiency opportunities within it. Manage the timely delivery of multiple projects leveraging junior resources to ensure project profitability is maximized. Review detailed, technical documentation (reports, memos etc.) and provide feedback to junior team members in a way that enables them to learn and develop their tax technical skills.
