Senior UX Designer

Apply Now

Company: Siemens

Location: dubai

Category: other-general

You'll make a difference by: Create user-centered designs by considering market analysis, data, customer feedback, user research and technical constraints/opportunities. Leading regular creative sessions and an environment of learning amongst the team. Quickly and thoroughly create user flows, wireframes, design mockups, sketches to effectively conceptualize new product initiatives, visualize and prototype ideas to communicate concepts. Stay up to date with competitor products, their features, and industry trends in order to incorporate them into the design process.
