locations Otis L.L.C, 37th floor, The One Tower, Sheikh Zayed Road, Dubai, United Arab Emirates time type Full time posted on Posted Yesterday job requisition id 20089399 Date Posted: 2024-01-27 Date Posted: 2024-01-27 Country: United Arab Emirates Location: Otis L.L.C, 37th floor, The One Tower, Sheikh Zayed Road, Dubai, United Arab Emirates Job Title service examiner Role Overview The role holder is responsible for carrying out service field activities (preventive maintenance, call back attendance, planned/unplanned repair works, modernization etc.), within the respective territory/route assigned. The role holder shall carry out his duties in accordance with the stipulated business policies and procedures, Core Responsibilities Performs preventive maintenance, cleaning and other contractual works of assigned units, as per the route chart issued. Conducts adjustments and repairs (planned & unplanned) for Otis products within the assigned area, with minimum assistance from the Team Lead - Mechanic. Attends to equipment call-backs and conducts inspection and fault finding to return the equipment to service. Identifies and reports abnormalities (interior as well as exterior), missing components etc. through the maintenance process to highlight safety concerns, implement corrective actions and generate upselling opportunities. Coordinates with Otis Line Operators to ensure call backs are attended as per the defined service level agreements. Completes timesheets, log cards, maintenance JHA, OSA forms, SVR sheets etc. associated with mechanical duties in timely manner. Conducts operations within the client site rules and regulations, escalating potential conflicts with Otis safety guidelines. Ensures all service/maintenance operations are conducted within the OTIS safe working procedures, WWJSSS requirement etc. and adequate personal protective

equipment to minimize any safety concerns. Supports other junior colleagues with service/maintenance operations at the client sites, acting as a buddy to help develop their skills further. Reports any accidents, near misses, potential hazards, and unsafe conditions etc. that occur during work activity and impact the safety of the mechanics or end users to the Team Lead - Mechanic. If you live in a city, chances are we will give you a lift or play a role in keeping you moving every day. Otis is the world's leading elevator and escalator manufacturing, installation, and service company. We move 2 billion people every day and maintain approximately 2.2 million customer units worldwide, the industry's largest Service portfolio. You may recognize our products in some of the world's most famous landmarks including the Eiffel Tower, Empire State Building, Burj Khalifa and the Petronas Twin Towers! We are 69,000 people strong including engineers, digital technology experts, sales, and functional specialists, as well as factory and field technicians, all committed to meeting the diverse needs of our customers and passengers in more than 200 countries and territories worldwide. We are proud to be a diverse, global team with a proven legacy of innovation that continues to be the bedrock of a fast-moving, high-performance company. When you join Otis, you become part of an innovative global industry leader with a resilient business model.
