Service Supervisor Jobs In Abu Dhabi | Halliburton

About the job

We bring out the best in wells – and people. Coordinating cementing service line work at the well site, and providing quality customer service are the requirements of this job. As a Cementing Service Supervisor I, you will provide the planning necessary for the job including instruction to the crew and equipment used. You will ensure customer satisfaction with work performed, coordinate and direct the activities of service operators, and coordinate the clean up, repair and preparation of equipment for the next job.

Requirements include a high school education or similar and 1 year as Cementing Service Operator II. A license to drive a commercial vehicle may be required.

Requirement

Halliburton is an Equal Opportunity Employer. Employment decisions are made without regard to race, color, religion, disability, genetic information, pregnancy, citizenship, marital status, sex/gender, sexual preference/ orientation, gender identity, age, veteran status, national origin, or any other status protected by law or regulation.
