Send these reports to the client / onshore after each job, Plan and Execute work scope Ensure Torque Turn Graphs

are downloaded and submitted to Operations Supervisor upon return
onshore Conduct assessments on Service Technicians Supervise crew Promote company's
services and products What You Will Need to Succeed Minimum of 5 years relevant
experience within drilling/casing industry Successfully demonstrate physical ability to perform
essential job functions Must successfully pass pre-placement medical examination and
drug screening Why you should join our team The Odfjell group recognises that the shift to
renewable energy requires a new way of thinking. By leveraging diverse, cross-functional
teams we drive innovation, sustainability, and technological improvements across the
business. Our people are at the heart of what we do to drive change as we continue to shape
and grow the business. We strive to create a satisfying and motivating workplace for our
employees and an arena for sharing experiences with a focus on ongoing learning and
development. Our employees report high levels of empowerment, open dialogue, and
trust. We believe that diversity and inclusion are pre-conditions to succeed in a global
marketplace. We believe our company values should be reflected in the everyday behaviour
of our leaders and employees alike. We offer: Learning and development
support Collaborative, diverse, and inclusive working environment Part of a global company
with opportunities for growth and development. Competitive compensation and benefits
including paid time-off, insurances and retirement Flexible home office opportunities Add
benefits for your location (mobile phone, home internet connection, welfare benefits) We live
our core values – creative, competent, result oriented, committed – while always being
safety conscious.
