Attention to detail is critical, as is the ability to produce web pages and content that is error-free insofar as formatting is concerned. Authoring experience within Sitecore is preferred, but we will accept candidates that have other, comparable CMS authoring backgrounds. Must be able to work effectively both as a team member and independently. Demonstrate ability to prioritize, multi-task, and work with minimal supervision in a team environment. Strong organization skills with emphasis on being conscientious and detail-oriented. Be conversant in web basics. Must possess excellent written and oral communication skills to effectively communicate with a wide variety of staff regarding the publication of information on the web. Must have experience coordinating with cross-functional team to understand the business requirements and translate them into Content. Knowledge of multimedia/creative: e.g., interactive/web content, digital graphics/optimization.
