### Software Asset Manager | Foundever Abu Dhabi

Foundever is a global leader in the customer experience (CX) industry. With 170,000 associates across the globe, we're the team behind the best experiences for +750 of the world's leading and digital-first brands. Our innovative CX solutions, technology and expertise are designed to support operational needs for our clients and deliver a seamless experience to customers in the moments that matter.

Foundever is actively seeking a proficient Software Asset Manager to enhance our team's capabilities. The ideal candidate will possess a comprehensive understanding of software licensing, compliance, and optimization strategies. In this pivotal role, you'll oversee the management of our software assets, ensuring full compliance with various regulatory standards. Your expertise will be vital in optimizing license utilization and cost, as well as in leading the software procurement process. Join us to play a key role in streamlining our software asset management and contributing to our organization's success.
