Special Projects Lead | Careem Jobs in Dubai 2022

Description:

As a Special Projects Lead, you'll own the management and delivery of strategic projects (captain support initiatives, captain training and onboarding, Major Events, Airport operations)

including developing and improving operational processes, and feeding strategic inputs up to our central teams. This is a unique role with the opportunity to create genuine impact for the lives of everyday people in our region.

Responsibilities:

Supply Operations

Develop & Optimize Processes

Product Development

Requirements:

Relevant and proven experience in tech, operations, business intelligence, PMO and/or strategy.

Solid stakeholder management and communication skills, with exposure to cross-functional and global teams.

Strong analytical capabilities, mastery of Excel and SQL knowledge required.
