Established in 2010, SearchPlus' main business focus is in Executive Search and Selection. We start by having a deep understanding of our clients' industries, business processes and operational requirements. Thereafter, we assist HR managers in fulfilling their requirements for key talent and executives through our comprehensive resume database and own direct searches by short listing and identifying the best possible talent for their organizations. We represent clients from a wide spectrum of industries both local and MNC's. Our successful recruitment tract record has distinguished ourselves.

A pediatric emergency physician is a specialist in the care of children and teens who are acutely ill or injured. A pediatric emergency physician is trained to care for a wide range of problems that require immediate medical help. These problems are often serious and may be life-threatening.
