Description:

The Specialist Physician is responsible for leading and supervising the delivery of high quality evidence-based care; effectively and efficiently diagnosing, managing and treating all patients placed under the post holder's care. The Specialist Physician is expected to be an example of clinical excellence within his or her specialty and to provide leadership and training for junior medical staff.

#### Job Responsibilities:

Supports, implements, and follows Reem Hospital's departmental and divisional initiatives, policies and procedures.

Ensures comprehensive documentation in the Medical Record to accurately reflect the patient's diagnosis and treatment to enable good clinical practice and optimal, accurate patient billing.

General accountability for the prevention, diagnosis, and treatment of general health problems.

Deliver best-in-class ENT Services.

#### Job Requirements:

Qualification from Tier 1 OR Qualification from Tier 2

Current national license or equivalent

Certified proof of yearly CME

NLT 2 years relevant experience as a Specialist or equivalent post board certification.
