Category: other-general

Acting as Designated Person (DP) to ensure the effective implementation of a safety management system. Communication and implementation of the safety environmental protection policy. Developing SOPs to maintain the best business practice. Evaluating and reviewing the effectiveness of safety management system (SMS). Reporting and analysis of non-conformities, incident, and hazardous occurrences. Participating in monitoring the effectiveness of Marine Units' audits & inspection. Appropriate revision of the SMS, SSP & Waste Management to ensure that adequate resources and shore-based support are provided. Ensuring that all fleet crew members are compliant with STCW (Standard of Training, Certification and Watch keeping for Seafarers) convention, and carrying out the required verification of the crew certificates. Fulfilling all requirements to maintain ISM and ISPS certification. Ensuring that fleet classification and flag administration certificates are kept valid. Ensuring that the requirements for seafarers to work on a ship including age, medical and training certificates are implemented and achieved. Verifying and observing that employee conditions including wages, working hours, rest, and leave are in accordance with MLC requirement. Ensuring that seafarers' accommodation, leisure facilities, and on-board catering standards meet the MLC requirement and standards. Verifying and monitoring all safety pollution prevention activities in the operation of each Marine Unit. Providing the necessary assistance and/ or consultation to Safeen MS' crew members for safe operation. Carrying out risk evaluations to advise on various threats which are likely to be encountered by Marine Units and would also decide the ship security level. Ensuring closeout of all non-conformities addressed through audits, periodic reviews, security & safety inspections, and verification

of compliance. Promoting awareness of HSEQ policies and procedures to confirm compliance with the requirements of the ISM Code, ISO Standards, and other Legislations. Ensuring compliance with Safeen MS' IMS, SMS and "Drug and Alcohol" Policy to ensure HSE rules and regulations are applied. Liaising with Safeen MS Departments, Vessel Master's, Clients, and Contractors regarding all safety matters and keeping HSEQ Manager informed. Acting in accordance with Abu Dhabi Ports Group' Incident Investigation
