Specialist Orthodontist Jobs In Dubai | CareerLink HR

About the job

Are you an experienced Orthodontist looking for an opportunity to advance your career, skills and care of your patient? If you are a compassionate individual with a friendly personality always ready to go an extra mile to ensure your patients' comfort and well being, we have the perfect job for you! We are looking for an Orthodontist to join our dynamic dream team of healthcare professionals to provide the highest quality care making critical decisions and leading to clinical issues within a person-centered care model.

Requirement

Collaborate with assistants to take care of dental problems

Perform examinations to assess patient needs

Design and create teeth molds

Fit patients for dentures, braces, and other orthodontic appliances

Assess the severity of conditions such as underbites, overbites, spacing, crowding and others

Tightening braces on a regular basis, or as needed

Educate patients about improving and maintaining orthodontic care, and promoting routine dental health care

Administer medication to address patient discomfort during procedures

Foster an environment where patients are comfortable and understand their health is our

top priority.
