Company: Sheikh Shakhbout Medical City - SSMC

Location: abu dhabi

Category: other-general

We are looking for a compassionate physician to provide primary care for patients suffering from injuries and common illnesses. The physician's responsibilities include diagnosing and treating injuries, illnesses, and disorders, prescribing medications, making recommendations on lifestyle changes, and answering patients' questions. A physician may work in one or more areas of specialization, such as anesthesiology, family and general medicine, internal medicine, and pediatrics. To be a successful physician, you should be kind and compassionate towards your patients, with excellent communication and interpersonal skills. You should be knowledgeable, detail oriented, and have good problem-solving skills.
