Sports Medicine Physician Jobs In Dubai | SearchPlus HR Dubai

About the job

We are looking to hire a sports medicine physician with excellent research and counseling skills. Sports medicine physicians are expected to have remarkable listening and decision-making skills and must display sound judgment. To ensure success, sports medicine physicians should be critical thinkers with the ability to completely rehabilitate an injured athlete through accurate diagnoses and effective treatment. Top candidates will have incredible problem-solving skills, exhibit confidence when instructing injured athletes and have the ability to closely monitor the entire rehabilitation process.

Requirements

Degree in medicine or related (essential).

Specialization Degree

Current state medical license in the state of practice

3 years of experience as a sports medicine physician.

Thorough understanding of sports culture and the ability to display sound judgment.

Ability to communicate and interact closely with all patients.

Tailor strategies that assist athletes in overcoming difficulties, improving performance, and preparing for competition.

Work with a multidisciplinary team including other psychologists, nutritionists, GPs, coaches, and physiologists.

Deliver counseling that focuses on goal setting, visualization, and relaxation.

Equip athletes with mental strategies to cope with and overcome setbacks or injuries.

Innovative thinker with strong conceptual and problem-solving skills.

Superb research and counseling skills.

Profound listening and planning skills.

Passionate about enhancing the self-efficacy of athletes.
