Staff Software Engineer

[Apply Now](#)

Company: Lean Technologies

Location: dubai

Category: other-general

4th Floor, 91 Curtain Road, London EC2A 3BS
Dubai Office PO Box: 74777
Don't just take our word for it. See what our people have to say.
Deputy GM: Being part of Lean means being part of a team where growth and learning are at the core of our daily experiences. It is rewarding to be part of a company that the region leans on to lead the way and set the future of open banking with cutting-edge technologies and innovative solutions.
London Office Senior Product Manager: The positivity at Lean is infectious. Everyone here is genuinely enthusiastic about the work we do, and it's hard not to be excited when you're surrounded by such passionate colleagues. The satisfaction that comes from being part of a team that is so dedicated to our mission is truly fulfilling.
Nadine Laze Commercial Operations Manager: Working at Lean has been an exceptional growth journey, working together with people that truly embody the growth mindset. I feel challenged and propelled to grow - I have worked at Lean for nearly 3 years and every day is a new adventure!
Fully devoted to keeping you in balance. To do your best work, you need to be at your best. You've applied to Lean, now what? Here are the steps:
Discovery: Our hiring process begins with a discovery call with our Talent team. This call offers insights into Lean and ensures the role aligns with your aspirations.
Team/Culture: You will have the opportunity to meet with members of the Lean team. We will be assessing your experience, as well as your alignment to Lean's culture and values.
Assessment: Depending on the role you are applying for, you will be given a case study or technical exercise. This will be completed remotely or in person.
Decision: Every candidate has the opportunity to meet a member of our leadership team as a final step.
