Stakeholder Manager Jobs In Abu Dhabi | AECOM Energy

Company Description

We will give you the flexibility you need to do your best work with hybrid work options. Whether you're working from an AECOM office, remote location or at a client site, you will be working in a dynamic environment where your integrity, entrepreneurial spirit and pioneering mindset are championed. You will help us foster a culture of equity, diversity and inclusion – a safe and respectful workplace, where we invite everyone to bring their whole selves to work using their unique talents, backgrounds and expertise to create transformational outcomes for our clients. We will encourage you to grow and develop your career with us through our technical and professional development programs and diverse career opportunities. We believe in leadership at all levels. No matter where you sit in the organization you can make a lasting impact on the projects you work on, the teams and committees you join and our business. We offer competitive pay and benefits, well-being programs to support you and your family, and the development resources you need to advance your career. When you join us, you will connect and collaborate with a global network of experts – planners, designers, engineers, scientists, consultants, program and construction managers – leading the change toward a more sustainable and equitable future. Join us and let's get started. As an Equal Opportunity Employer, we believe in each person's potential, and we'll help you reach yours.

Job Description

AECOM are currently hiring a Stakeholder Manager, to join our buildings business, based

in Abu Dhabi. The Stakeholder Manager will lead Stakeholder engagement for the assigned project (s) maintaining the relationship, collaboration, and consistency in all written and verbal correspondence.

Responsibilities:

Undertakes a full day to day stakeholder role on more large and complex projects or on a range of smaller but more challenging projects or running a significant component of a major project.

Oversee the liaison and create / maintain links of communication within key parties involved on the project.

Developing and fostering community relationships and supporting Senior Management as the public face of AECOM on Projects.

Managing the interface between AECOM personnel and all external stakeholders in an organized and systematic manner. Key Stakeholders include: Technical Committees, Government Departments, Municipality, Authorities and Agencies, Contractors, Plot Developers, Media, and Community Representatives.

Managing stakeholder outreach initiatives, dialogue, and other forms of engagement to understand key concerns and interests.

Proactively building strategic alliances and coalitions with key constituency groups whose work and missions are aligned with the Project priorities to aid the delivery of key project milestones.

Supporting the overall permitting process to mitigate project delays Providing liaison and coordination services with all government bodies and other service providers with respect to the planning and approvals for construction of the Project.

Monitoring compliance by the Design Consultants (either internal or external) with the requirements of any governmental approvals and regulations and advise on appropriate measures to expedite clearances and approvals.

Managing Authority relationships and requirements to avoid project delays.

Qualifications

A Bachelors' Degree in an Engineering / Design related subject.

Additional Information

A minimum of 10+ years' experience is required in either Architecture or MEP design. The

successful candidate would ideally have 3-5 years' experience working in Stakeholder Management.

Here, you will have freedom to grow in a world of opportunity.

We will give you the flexibility you need to do your best work. Whether you're working from an AECOM office, remote location or at a client site, you will be working in a dynamic environment where your integrity, entrepreneurial spirit and pioneering mindset are championed.

With infrastructure investment accelerating worldwide, our services are in great demand, and there's never been a better time to be at AECOM! Join us, and you'll get all the benefits of being a part of a global, publicly traded firm – access to industry-leading technology and thinking and transformational work with big impact and work flexibility.

We will encourage you to grow and develop your career with us through our technical and professional development programs and diverse career opportunities. We believe in leadership at all levels. No matter where you sit in the organization you can make a lasting impact on the projects you work on, the teams and committees you join and our business.

AECOM provides a wide array of compensation and benefits programs to meet the diverse needs of our employees and their families. We also provide a robust global well-being program. We're the world's trusted global infrastructure firm, and we're in this together – your growth and success are ours too.
