Strategy Analyst jobs In Dubai 2022 | Niche Human Resources

Job Responsibilities:

market analyses, peer reviews, assessment of business opportunity potential, business strategic reviews, etc.

Identify companies globally, which are into niche products (preferably company's Industry & Healthcare), and assess if/how we can partner with them

Identify opportunities for inorganic growth, both for existing BUs and for new business diversification

Identify and attend industry events/conferences/seminars, network with PE/VC funds and connect with growth stage start-ups to identify inorganic growth opportunities

Conduct research and due diligence into strategic and tactical opportunities, and build a detailed Business Case & Plan for selected opportunities

Work on Strategic Projects with other companies affiliated with the Group.

Job Requirements:

Ambitious, disciplined self-starter – Can connect discrete data points to develop strategy

Demonstrated analytical and problem-solving skills

Ability to pick up new industries/products and build knowledge in them quickly

Excellent written and verbal interpersonal communication skills

Flexibility to travel, as needed

Experience working with diverse teams

Minimum of 3 years of experience participating in Management Consulting

Minimum of 1 year of consulting experience in at least one stage of the merger & acquisition life cycle, or with a PE/VC firm

Education – MBA from a premier institute
