Company: Dixio

Location: united arab emirates

Category: other-general

This is your time to shine as a STRATEGIC ANALYST (FINTECH) !At DiXiO we like to be direct. So we'll make this very straightforward.We're an international fintech working with financial institutions in more than 60 countries. We're backed by funds and growing fast - our target is to serve customers in more than 100 countries within the next 2 years. One of our key challenges is to understand the markets we work in and establish a dedicated strategy for each of them: identify local players, approach potential partners, make sure we're visible in key events/media,...We're looking for exceptional talents to help us achieve this. We're looking for people who are:CuriousAmbitiousAble to combine hard work with funAt ease in an extremely international environmentHave an entrepreneurial mindset / thrive in a startup environmentThis position will report directly to C-level.Our HQ is in Dubai and we have entities in several countries (FR, BE, KSA with more to come), yet the job is mainly remote with completely flexible schedules (and potentially some international travels to meet your amazing colleagues worldwide).We're open to any mode of collaboration (internship, apprenticeship, part or full-time contracts, freelancing,...) and there are permanent positions to take if you enjoy this.If you have further questions, we're sure you can figure them out by yourself.To get the job, just complete 3 challenges. You'll receive your first challenge as soon as you click on the apply button.ALL applications will receive attention and dedicated feedback.
