We are the largest oil producer within the ADNOC Group, accounting for over half of ADNOC's total oil production. As the country's oldest oil production company, our operations date back to 1939, when a 75-year concession was signed to explore for oil and gas in Abu Dhabi.

About the Job:

Propose and execute amendments to approved programs in response to changing operational parameters.

Ensure all operations on the rig site and camp area are carried out in accordance with pertinent contract provisions consistent with HSE policies, rules and regulations.

Monitor all supply activities of Company materials and equipment to ensure economic and cost effective utilization.

Prepare the drilling/workover morning report summarizing all rig activities in the previous 24 hours including cost details of such activities.
