

Supply & Demand Planner

[Apply Now](#)

Company: Quest Resources

Location: dubai

Category: other-general

A global FMCG business is currently looking for a Supply & Demand Planner to join their dynamic and growing team in Dubai, UAE. As the Supply & Demand Planner, you will:

- * Lead the total supply planning cycle for respective categories
- * Negotiate with source units and co-manufacturers in delivering a lean pipeline and securing volume
- * Ensure product availability and freshness by developing a stock early warning system
- * Manage relationships with source units and manufacturers
- * Develop and motivate a team of logistics coordinators

The ideal candidate will have the following qualifications:

- * Bachelors degree in Engineering, preferably Industrial Engineering
- * Minimum of 4 years experience in supply chain, specifically in replenishment planning
- * Middle East experience would be an advantage
- * Working knowledge of SAP systems is preferable
- * Should be willing to travel and open for relocation

For this crucial post, the rewards are beyond the usual competitive and tax free salary package, but an opportunity to further develop as a professional and have a large influence in an exciting new workplace. If you think that you are qualified for this position, please send us your CV. We request that candidates send their CV as a Microsoft Word document where possible. Quest Search and Selection is acting as an Employment Agency in relation to this vacancy. The ideal candidate will have the following qualifications:

- * Bachelors degree in Engineering, preferably Industrial Engineering
- * Minimum of 4 years experience in supply chain, specifically in replenishment planning
- * Middle East experience would be an advantage
- * Working knowledge of SAP systems is preferable
- * Should be willing to travel and open for relocation
